

VEGETARIAN INDEX

1975-76 Production Season

I. CROPS

Cruciferous

1. Black Rot Resistance in Cabbage Hybrids, 75-9 (Commercial)
2. Growing Broccoli and Cauliflower in Florida, 75-11 (Commercial)

Solanaceous

1. Cooling Tomatoes in Ripening Rooms, 75-7 (Commercial)
2. Pointers in Fertilizing Tomatoes and Peppers Under Mulch, 75-8 (Commercial)
3. Nutrients Removed by Potato Tubers, 75-8 (Commercial)
4. Herbicides for Florida Tomatoes, 75-8 (Commercial)
5. pH Control for Tomatoes Under Full-Bed Mulch, 75-10 (Commercial)
6. Field Characteristics of Three Tomato Vascular Wilt Diseases, 75-11 (Commercial)
7. Ripening Tomatoes with Ethylene - Safely, 75-11 (Commercial)
8. Herbicide Recommendations for Potatoes on Florida's Sandy Soils, 75-12 (Commercial)
9. Pepper Black Spot - A Fruit Disorder, 76-1 (Commercial)
10. Some Ripening Characteristics of the 'Morgan' Melon, 76-5 (Commercial)

Vine Crops

1. Muskmelon Quality: What, When, How?, 75-9 (Commercial)
2. Watermelon Production Checklist for Advance Planning, 75-12 (Commercial)
3. Micronutrients for Watermelons - Additional Information, 76-1 (Commercial)
4. Cucumber Production Update for 1976 Season, 76-3 (Commercial)

Minor Crops

1. Know Your Vegetables - Momordica, 75-7 (Gardening)
2. Know Your Vegetables - Cassava, 75-8 (Gardening)
3. Know Your Vegetables - Mung Bean, 75-9 (Gardening)
4. Know Your Vegetables - Comfrey, 75-10 (Gardening)
5. Know Your Vegetables - Bamboo, 75-11 (Gardening)
6. Know Your Vegetables - Arrowroot, 75-12 (Gardening)
7. Know Your Vegetables - Ginseng, 76-1 (Gardening)
8. Know Your Vegetables - Paprika, 76-2 (Gardening)
9. Know Your Vegetables - Dasheen, 76-3 (Gardening)
10. Know Your Vegetables - Celeriac, 76-4 (Gardening)
11. Know Your Vegetables - Asparagus Bean, 76-5 (Gardening)
12. Know Your Vegetables - Kale, 76-6 (Gardening)

II. SPECIFIC TOPICS

Soils and Land Management

1. Prepare Soil Properly for Best Nematicide Activity, 75-7 (Commercial)
2. Cultivation as a Weed Control Tool, 75-9 (Commercial)
3. Some Effects of Soil Water Quality on Vegetable Crops Growth and Development, 76-2 (Commercial)
4. Soil Preparation and Vegetables, 76-3 (Commercial)
5. Soil Preparation and Herbs, 76-4 (Commercial)

Fertilizers and Liming

1. Pointers in Fertilizing Tomatoes and Peppers Under Mulch, 75-8 (Commercial)
2. The Importance of the Fertilizer Salesman in Farm Fertilizer Use, 75-8 (Commercial)
3. Fertilizer and Lime Conversion Factors, 75-9 (Commercial)
4. Effects of pH on Soil Biology, 75-10 (Commercial)
5. pH Control for Tomatoes Under Full-Bed Mulch, 75-10 (Commercial)
6. Dolomite Overuse and Associated Problems, 75-11 (Commercial)
7. Micronutrients for Watermelons - Additional Information, 76-1 (Commercial)
8. Diagnosing Nutrient Deficiencies in Vegetable Crops, 76-2 (Commercial)
9. Soluble Salt Build-up in Seep Irrigated Soils of Mulched Vegetables, 76-3 (Commercial)

Irrigation and Drainage

1. Water--Hints on Finding Good Quality for Irrigation of Vegetables, 75-7 (Commercial)
2. Water Control Under Full-Bed Mulch Culture, 75-10 (Commercial)
3. Soil Water Influence on Root Development, 76-4 (Commercial)
4. Reestablishing Desirable Moisture Levels Under Full-Bed Mulch, 76-6 (Commercial)

Seeds and Transplants

1. Good Crops Start with Good Seed, 76-1 (Commercial)

Varieties and Types

1. Vegetable Varieties and the Small Local Sales Grower, 76-2 (Commercial)
2. Some Ripening Characteristics of the 'Morgan' Melon, 76-5 (Commercial)

Weeds and Control

1. Herbicides for Florida Tomatoes, 75-8 (Commercial)
2. Cultivation as a Weed Control Tool, 75-9 (Commercial)
3. Recent Herbicide Residue Problems, 75-10 (Commercial)
4. Herbicide Recommendations for Potatoes on Florida's Sandy Soils, 75-12 (Commercial)
5. Exercise Care When Controlling Weeds in Non-Crop Areas, 76-6 (Commercial)

Pests and Control

1. Black Rot Resistance in Cabbage Hybrids, 75-9 (Commercial)
2. Field Characteristics of Three Tomato Vascular Wilt Diseases, 75-11 (Commercial)
3. Pepper Black Spot - A Fruit Disorder, 76-1 (Commercial)

Pests and Control (continued)

4. Some Points to Consider About Low Volume, High Velocity Concentrate Spraying, 76-1 (Commercial)
5. Late Blight Control Update, 76-2 (Commercial)

Cultural Practices

1. Water Control Under Full-Bed Mulch Culture, 75-10 (Commercial)
2. pH Control for Tomatoes Under Full-Bed Mulch, 75-10 (Commercial)
3. Field Characteristics of Three Tomato Vascular Wilt Diseases, 75-11 (Commercial)
4. Remote Sensing as a Vegetable Crop Management Tool, 75-12 (Commercial)
5. Benefits Not Anticipated with Full-Bed Mulch Culture of Vegetables, 76-4 (Commercial)
6. Reestablishing Desirable Moisture Levels Under Mulch, 76-6 (Commercial)

Physiology, Growth, Reproduction

1. Nutrients Removed by Potato Tubers, 75-8 (Commercial)
2. Muskmelon Quality: What, When & How?, 75-9 (Commercial)
3. Beehives - Supply Available for Pollination Through "Clearinghouse", 75-11 (Commercial)

Harvesting and Handling

1. Cooling Tomatoes in Ripening Rooms, 75-7 (Commercial)
2. Marketing New Crops, 75-8 (Commercial)
3. Better Consumer Quality vs. Increased Costs, 75-9 (Commercial)
4. Vegetable Qualities Associated with Consumer Satisfaction, 75-10 (Commercial)
5. Ripening Tomatoes with Ethylene - Safely, 75-11 (Commercial)
6. Uniform Grade Names for Fresh Produce, 75-12 (Commercial)
7. Maintaining Freshness in Vegetables Without Refrigeration, 76-6 (Commercial)

Commercial Production - General

1. Advance Planning to Avoid Common Mistakes Next Season, 75-7 (Commercial)
2. Growing Broccoli and Cauliflower in Florida, 75-11 (Commercial)
3. Watermelon Production Checklist for Advance Planning, 75-12 (Commercial)
4. Cucumber Production Update for 1976 Season, 76-3 (Commercial)
5. On-Farm Testing by Vegetable Growers, 76-5 (Commercial)

Gardening - General

1. Timely Gardening Topics, 75-7 (Gardening)
2. Timely Gardening Topics, 75-8 (Gardening)
3. Timely Gardening Topics, 75-9 (Gardening)
4. Timely Gardening Topics, 75-10 (Gardening)
5. Timely Gardening Topics, 75-11 (Gardening)
6. Timely Gardening Topics, 75-12 (Gardening)
7. Timely Gardening Topics, 76-1 (Gardening)
8. Timely Gardening Topics, 76-2 (Gardening)
9. Timely Gardening Topics, 76-3 (Gardening)
10. Timely Gardening Topics, 76-4 (Gardening)
11. Timely Gardening Topics, 76-5 (Gardening)
12. Timely Gardening Topics, 76-6 (Gardening)
