

VEGETARIAN INDEX

1977-78 Production Season

I. CROPS

Crucifers (Cabbage family)

1. A Production-Oriented Postharvest Problem Observed on Chinese Cabbage (Commercial) 78-3
2. Cabbage Transplants - Care in Production (Commercial) 78-4

Cucurbits (Vine Crops)

1. Storing Squashes & Pumpkins (Gardening) 77-7
2. Bitterness in Cucumbers (Gardening) 77-10
3. Subsoiling Watermelons in North Florida (Commercial) 78-2
4. Watermelon Foliage Disease Control in Florida (Commercial) 78-2
5. Harvesting and Handling Watermelons (Commercial) 78-2
6. Waxing of Cucumbers (Commercial) 78-4
7. Fertilizer Placement for Watermelons in North Florida (Commercial) 78-5
8. Temperatures for Handling Watermelons (Commercial) 78-5

Solanaceous Crops (Tomatoes, pepper, eggplant, etc.)

1. Spider Mites on Summer Eggplants (Gardening) 77-7
2. Spring Garden Potatoes (Gardening) 77-7
3. Sunburned Tomatoes (Gardening) 77-7
4. The Yield Potential of the Walter Tomato Variety (Commercial) 77-9
5. Some of the Causes of Poor Fruit Set in Tomatoes (Commercial) 77-11
6. How Big is This Tomato (Commercial) 77-12
7. "Canning" Tomatoes - The Way to Grow (Gardening) 78-3
8. Some Causes of Leaf Spot on Tomatoes (Commercial) 78-4
9. Pollination by Insects in Eggplant, Tomato, Pepper (Commercial) 78-5
10. Potato Problem - Blind Tubers (Gardening) 78-5

Table Legumes

1. Southern Pea Classification (Gardening) 78-4

Root Crops (Potatoes, carrots, radishes, etc.)

1. Sweet Potato Root Cracking Problems (Commercial) 77-12
2. Cavity Spot - A New Disorder of Carrots (Commercial) 78-3
3. Potato Problems - Blind Tubers (Gardening) 78-5
4. Handling Spring Harvest Potatoes for Fresh Markets (Commercial) 78-6

Minor Crops

1. Know Your Vegetable - Chufa (Gardening) 77-7
2. Know Your Vegetable - Cucuzzi (Gardening) 77-8
3. Know Your Vegetable - Ginger (Gardening) 77-9
4. Know Your Vegetable - Watercress (Gardening) 77-10
5. Know Your Vegetable - Brussels Sprouts (Gardening) 77-11
6. Know Your Vegetable - Celtnce (Gardening) 77-12
7. Know Your Vegetable - Purslane (Gardening) 78-1
8. Know Your Vegetable - Upland Cress (Gardening) 78-2
9. Know Your Vegetable - Shallot (Gardening) 78-3
10. Know Your Vegetable - Martynia (Gardening) 78-4
11. Know Your Vegetable - Tree Onion (Gardening) 78-5
12. Know Your Vegetable - Rampion (Gardening) 78-6

Miscellaneous Crops

1. Strawberry Plant Production (Commercial) 78-4
2. 'Florida Staysweet' Corn - A New Variety for Home Gardeners (Gardening) 78-2

II. SPECIFIC TOPICS

Commercial Production

1. Roadside Marketing for Small Farm Producers (Commercial) 77-7
2. New Vegetable Crop Ventures (Commercial) 77-9
3. Ten Noteworthy Developments of the Past Decade in Florida Vegetable Production (Commercial) 77-10
4. Dollars and Sense of Producing Quality Vegetables (Commercial) 78-3
5. Producing and Marketing Quality Vegetables from Small Farms Production (Commercial) 78-1
6. Selecting Vegetable Varieties that Sell (Commercial) 78-2

Cultural Practices

1. To Grow Large Fruits (Gardening) 77-8
2. Crop Residue Problems in Vegetable Production (Commercial) 77-11
3. Conserving Water in the Garden (Gardening) 77-11
4. Sweet Potato Root Cracking Problems (Commercial) 77-12
5. Field Sanitation - A Must in Vegetable Production (Commercial) 78-1
6. Fertilizer Placement for Watermelons in North Florida (Commercial) 78-5
7. Cabbage Transplants - Care in Production (Commercial) 78-4
8. Soil Tests - Timing and Use in Vegetable Production (Commercial) 77-7
9. Subsoiling Watermelons in North Florida (Commercial) 78-2

Fertilization & Liming

1. The Linear Foot Concept in Vegetable Crop Fertilization Recommendations (Commercial) 77-10
2. Seaweed in the Vegetable Garden (Gardening) 77-12
3. Fertilizer Placement for Watermelons in North Florida (Commercial) 78-5

Harvesting & Handling

1. Drying Vegetables for Storing (Gardening) 77-8
2. Harvesting & Curing Herbs (Gardening) 77-9
3. Producing and Marketing Quality Vegetables from Small Farms Production (Commercial) 78-1
4. Waxing Garden Produce (Gardening) 78-1
5. A Production-Oriented Postharvest Problem Observed on Chinese Cabbage (Commercial) 78-3
6. "Canning" Tomatoes - The Way to Grow (Gardening) 78-3
7. Waxing of Cucumbers (Commercial) 78-4
8. Handling Spring Harvest Potatoes for Fresh Markets (Commercial) 78-6
9. Shipping Watermelons (Commercial) 78-6

Irrigation & Drainage

1. The Semi-Closed System for Seep Irrigation (Commercial) 77-8
2. Irrigating Small Fields of Vegetables (Commercial) 77-11
3. Conserving Water in the Garden (Gardening) 78-6
4. Water: For People or for Food? (Commercial) 78-3

Pests & Control

1. Before Spraying, Consider These Things (Gardening) 77-8
2. Should You Use Nemagon? (Gardening) 77-9
3. Nematode Control in the Vegetable Garden (Gardening) 77-10
4. Substituting for Nemagon (Gardening) 78-1
5. Watermelon Foliage Disease Control in Florida (Commercial) 78-2
6. Some Causes of Leaf Spot on Tomatoes (Commercial) 78-4
7. The Tiger, The Tapeworm and IPM (Commercial) 78-5
8. Field Sanitation - A Must in Vegetable Production (Commercial) 78-1

Physiology, Growth, Reproduction

1. Second-Hand Garden Sites (Gardening) 77-8
2. Fall Gardens (Gardening) 77-9
3. Indoor Lighting & Indoor Vegetables (Gardening) 77-10
4. Cavity Spot - A New Disorder in Carrots in Florida (Commercial) 78-3
5. Pollination by Insects in Eggplant, Tomato, Pepper (Commercial) 78-5
6. June Gardening Roundup (Gardening) 78-6

Seeds & Transplants

1. Magnetic Seed Treatment (Commercial) 77-9
2. Some Symptoms of Seedling Plant Disorders (Commercial) 78-1
3. Avoid the Transplant Production Nightmare (Commercial) 78-2
4. Cabbage Transplants - Care in Production (Commercial) 78-3
5. Strawberry Plant Production (Commercial) 78-4

Soils & Land Management

1. Soil Tests - Timing & Use in Vegetable Production (Commercial) 77-7
2. Conserving Water in the Garden (Gardening) 77-11
3. Subsoiling Watermelons in North Florida (Commercial) 78-2

Varieties & Types

1. To Grow Large Fruits (Gardening) 77-8
2. The Yield Potential of the Walter Tomato Variety (Commercial) 77-9
3. Selecting Vegetable Varieties That Sell (Commercial) 78-2
4. 'Florida Staysweet' Corn - A New Variety for Home Gardeners (Gardening) 78-2
5. Southern Pea Classification (Gardening) 78-4

Weeds & Control

1. Perennial Grass Control in Vegetables (Commercial) 77-9
2. Response of Common Weeds to Herbicides in Vegetables (Commercial) 77-10
3. Weed Control for Full-Bed Mulched Vegetables (Commercial) 77-12
4. Weeds That Vegetable Growers Should Know (Commercial) 78-6
5. Cultivation Injury to Crop Roots (Commercial) 78-6

Greenhouse & Hydroponics

1. Greenhouse & Hydroponics - Construction & Management (Commercial) 77-7
2. A Greenhouse Vegetable Enterprise? Some Points to Consider (Commercial) 77-12

Miscellaneous

1. Marvelous Metric Magic (Commercial) 77-8
2. Miracle Products in Florida Vegetable Production (Commercial) 77-8
3. Spring Leftovers (Gardening) 77-9
4. Fall Gardens (Gardening) 77-9
5. Early Frost in Vegetable Garden (Gardening) 77-10
6. Water: For People or For Food? (Commercial) 78-3
7. Crop Residue Problems in Vegetable Production (Commercial) 77-11
