

VEGETARIAN INDEX

January through December 1986

86-01 to 86-12

I. Specific Topics

A. Commercial Production (general)

- Blossom-end Rot Problems, 86-05
- Careers in Vegetable Crops, 86-08
- 1986 Commercial Vegetables In-Service Training Program, 86-03
- Criteria for Assessing Vegetables Varieties: Yields, 86-10
- Easy Quality Preservation and Shelf-Life Extension? Not Yet, 86-07
- Florida Pepper Institute, 86-08, 86-09
- 1986 Florida Tomato Institute, 86-07
- Leek Postharvest Handling, 86-11
- Leek Varieties for Florida, 86-04
- Miniature Vegetables, 86-06
- News from the Recent 19th National Agricultural Plastics Congress, 86-07
- Okra Varieties, 86-10
- Onion Varieties for Florida, 86-02
- Predicting Time of Harvest for Vegetable Crops, 86-05
- Pumpkin Varieties for Florida, 86-03
- Silver-Tip Weed Identified in Florida, 86-06
- Snow Pea and Snap Pea Cultivars, 86-01
- Snow Pea Varieties for Florida, 86-09
- Soil-testing Make it Work for You, 86-12
- Strawberry Field Day Program, 86-11
- Strawberry Freeze Protection with Row Covers, 86-09

Summary of Result/Demonstration Project, Examining the Use of Row Covers for Frost Production in Strawberries, 86-03

U.S. Fresh Market Vegetables Production: 1985 Summary, 86-02

Vegetables Crops Library, 86-01

1986 Watermelon Institute Program is Set, 86-02

What's in the Future for Vegetable Varieties? 86-01

What's National Agricultural Plastics Association NAPA all about?, 86-05

Where.... Eating More is Better, 86-04

B. Home Vegetable Production

Florida 4-H Horticulture Teams Excell in National Contests, 86-11

Florida Master Gardener Program: 7 Years of "Extending" Extension, 86-12

Florida State Fair Horticulture Contest, 86-03

Freeze-Damage Report on Garden Vegetables, 86-02

FSHS Notes on Vegetable Varieties, 86-11

Growing Tomatoes the "Wade Ellis Way", 86-05

4-H Horticulture ID and Judging Contest 1986 4-H Congress, 86-08

4-H Horticulture Institute a Whopping Success, 86-07

Know Your Minor Vegetables, 86-07

Know Your Minor Vegetables - Garden Huckleberry, 86-01

1986 National Community Gardening Contest, 86-03

National Gardening Survey 1985-1986, 86-10

Review of Vegetable Gardening Guide (cir. 104), 86-12

"Suncoast" New Home Garden Tomato, 86-04

Two All-America Variety Selections for 1986, 86-09

Urban Gardening Harvest Fair, 1986 Version, 86-06

Video Cassettes Available on Vegetable Gardening, 86-08

## II. Notes of Interest (general)

Careers in Vegetable Crops, 86-08

1986 Commercial Vegetables In-Service Training Program, 86-03

Florida 4-H Horticulture Teams Excell in National Contests, 86-11

Florida Master Gardener Program: 7 Years of "Extending" Extension, 86-12

Florida Pepper Institute, 86-08, 86-09

Florida State Fair Horticulture Contest, 86-03

4-H Horticulture ID and Judging Contest 1986 4-H Congress, 86-08

4-H Horticulture Institute A Whopping Success, 86-07

1986 National Community Gardening Contest, 86-03

National Gardening Survey 1985-1986, 86-10

New Publications, 86-01, 86-02, 86-03, 86-04, 86-05, 86-06, 86-07, 86-08, 86-10, 86-12

News from the Recent 19th National Agricultural Plastics Congress, 86-07

Personnel Note, 86-06, 86-09, 86-12

Review of Vegetable Gardening Guide (cir. 104), 86-12

Southern Weed Science Society to Meet in Orlando, 86-09

Urban Gardening Harvest Fair, 1986 Version, 86-06

Vegetable Crops Calendar, 86-01, 86-02, 86-03, 86-04, 86-05, 86-06, 86-07, 86-08, 86-09, 86-10, 86-11, 86-12

Vegetables Crops Library, 86-01

Video Cassettes Available on Vegetable Gardening, 86-08

1986 Watermelon Institute Program is Set, 86-02

What's National Agricultural Plastics Association NAPA All About? 86-05

Where .... Eating More is Better. 86-04

### III. Pesticide Update

Chinese Vegetable Tolerance Groupings, 86-04

Cold Weather Handling of Liquid Herbicides and Surfactants, 86-01

EPA Warning of Risks to Pregnant Women from Dinoseb Application, 86-10

New Ridomil/Bravo 81W Fungicide for Vegetables, 86-08

Photodegradation of Paraquat on Plastic Mulch, 86-04

Section 18 for Fusilade 200 on Carrots, 86-04, 86-10

Section 18 for Use of Fusilade 2000 on Celery and Head Lettuce, 86-09

Southern Weed Science Society to Meet in Orlando, 86-09

Supplemental Label for Ambush 2E on Chinese Cabbage (tight-heading varieties only), 86-04

Suspension of Dinoseb, 86-11

The Enigma Associated with Tank Mixes, 86-08

### IV. Crops

#### Carrots

Section 18 for Fusilade 2000 on Carrots, 86-04, 86-10

#### Celery

Section 18 for Use of Fusilade 2000 on Celery and Head Lettuce, 86-09

#### Chinese Cabbage

Chinese Vegetables Tolerance Groupings, 86-04

Supplement Label for Ambush 2E on Chinese Cabbage (tight-heading varieties only) 86-04

#### Garden Huckleberry

Know Your Minor Vegetables - Garden Huckleberry, 86-01

#### Leek

Leek Postharvest Handling, 86-11

Leek Varieties for Florida, 86-04

Lettuce

Section 18 for Use of Fusilade 2000 on Celery and Head Lettuce, 86-09

Okra

Okra Varieties, 86-10

Two All-America Variety Selections for 1986, 86-09

Onion

Onion Varieties for Florida, 86-02

Pumpkin

Pumpkin varieties for Florida, 86-03

Snow Pea and Snap Pea

Snow Pea and Snap Pea Cultivars, 86-01

Snow Pea Varieties in Florida, 86-09

Strawberry

Strawberry Freeze Protection with Row Covers, 86-09

Summary of Result/Demonstration Project, Examining the Use of Row Covers for Frost Production in Strawberries, 86-03

Tomato

Growing Tomatoes the "Wade Ellis Way", 86-05

"Suncoast" New Home Garden Tomato, 86-04

V. Weed Control

New Ridomil/Bravo S1W Fungicide for Vegetables, 86-08

Section 18 for Fusilade 2000 on Carrots, 86-04, 86-10

Section 18 for Use of Fusilade 2000 on Celery and Head Lettuce, 86-09

Silver-Tip Weed Identified in Florida, 86-06

Supplemental Label for Ambush 2E on Chinese Cabbage (tight-heading varieties only) 86-04

Suspension of Dinoseb, 86-11
