Office Hours
Variable, email to set up appointment

Topics

Botany Basics
Flower Types
Asexual vs. Sexual reproduction
Pollination requirements
  Cross pollinated
  Self pollinated

Genetics
Gene Structure
Plant genomes
Mendelian Inheritance
  Single gene vs. polygenic traits

Germplasm
Species Origins
Germplasm evaluation

Breeding cross pollinated crops
Breeding self-pollinated crops
Interspecific Hybridization

Breeding Strategy

Special Techniques
Mutation
Ploidy manipulations
Transformation
Molecular Markers

Intellectual Property

Grading
Exam 1 (100 points)
Exam 2 (100 points)
Make up exam will be given provided the student had previously notified
the professor of a research or professional engagement.

Project (150 points)
Oral Presentation (50 points)

Project: Breeding Proposal

Select a Perennial Crop for which you will develop a breeding program. The crop should not be the subject of your current graduate research. The written report should cover the following areas:

Literature Review: Species origins and economic importance
- botany and taxonomy
- Genetics: chromosome #, ploidy, mendelian traits, quantitative traits etc.
- Technology available: Transformation, genomics, polyploidy

The breeding proposal must:
- Present the crop ideotype
- Identify what traits are desired in improved varieties
- Describe the sources of those traits and present the methods would be used to generate and screen progeny

Class Attendance
Student should notify professor as to missing class due to attending professional or research conferences.

Academic Honesty, Software Use, Services for Students with Disabilities, UF Counseling Services

The University of Florida requires all members of its community to be honest in all endeavors. Cheating, plagiarism, and other acts diminish the process of learning. When students enroll at UF they commit themselves to honesty and integrity. Your instructor fully expects you to adhere to the academic honesty guidelines you signed when you were admitted to UF.

As a result of completing the registration form at the University of Florida, every student has signed the following statement:
“I understand the University of Florida expects it students to be honest in all their academic work. I agree to adhere to this commitment to academic honesty and understand that my failure to comply with this commitment may result in disciplinary action up to and including expulsion from the University.” Furthermore, on work submitted for credit by UF students, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.”

It is to be assumed all work will be completed independently unless the assignment is defined as group project, in writing by the professor. This policy will be vigorously upheld at all times in this course.

**Software Use:**

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate.

**Campus Helping Resources**

Students experiencing crisis or personal problems that interfere with their general wellbeing are encouraged to utilize the university’s counseling resources. Both the Counseling Center and Student Mental Health provide confidential counseling services at no cost for currently enrolled students. Resources are available on campus for students having personal or lacking clear career and academic goals, which interfere with their academic performance. The Counseling Center is located at 301 Peabody Hall (next to Criser Hall). Student Mental Health is located on the second floor of the Student Health Services in the Infirmary.

1. University Counseling Center, 301 Peabody Hall, 392-1575; personal and career counseling: [www.counsel.ufl.edu](http://www.counsel.ufl.edu)
2. Student Mental Health, Student Health Care Center, 392-1171, personal counseling: [www.hsc.ufl.edu/shcc/smhs.htm](http://www.hsc.ufl.edu/shcc/smhs.htm)
3. Sexual Assault Recovery Services (SARS), Student Health Care Center, 392-1161, sexual assault counseling; and
4. Career Resource Center, Reitz Union, 392-1601, career development Assistance and counseling.

**Students with Disabilities Act**

The Dean of Students Office coordinates the needed accommodations of students with disabilities. This includes the registration of disabilities, academic accommodations within the classroom, accessing special adaptive computer equipment, providing interpretation services, and mediating faulty-student
disability related issues. Students must provide this documentation to the instructor when requesting accommodation.
